## Kumu's Cupboard Newsletter, November 2025

It is hard to believe that it is already the second quarter of the 2025-2026 school year.

It has been a busy start for Kumu's Cupboard. At this writing, we are already serving over 425 of Kauai's educators and that number grows with almost every shift. We are thrilled that so many educators find our services valuable.

We continue to bring in new items based on educator input and have been able to raise limits slightly. We continue to grow and thrive because of the generosity of our community and through grants. Look for even more raised limits and new items for the second semester. If you have ideas of what you'd like to see in the store, please email us at: [kumuscupboard1@gmail.com](mailto:kumuscupboard1@gmail.com) or leave your ideas with the volunteers in the store.

Have you checked out the Lending Service? We continue to add new items which you can borrow for use in your classroom. You can find a full listing in Kumu's Cupboard as well as on our website under the "for educators" tab.

Please bring your reusable bags with you when shopping. We try to have bags and/or boxes for you to use but with being so busy we sometimes run out.

Kumu's Cupboard is still looking for a social media volunteer to post events and special happenings on Facebook and Instagram. We will provide the content, you just need to create the posts. If you can help with this, please contact Elyse at 808-647-6989.

Thanksgiving is approaching quickly. The Kumu's Cupboard Board of Directors is thankful for the work all of our shoppers do to support your students. Mahalo.

We are also grateful to our sponsors, donors and volunteers for making the work we do possible.

Have a great second quarter.

## Mini Grants

This Fall Kumu's Cupboard provided mini grants to 47 educators. These grants were for a wide range of classroom supplies and teaching materials.

We will be doing a new round of funding for the second semester. This grant will be different from previous grants as it is designed to fund a special project or unit. The grant amount will be up to \$500. The application is slightly more detailed asking for unit/project goals and learning standards.

Grants will be accepted from December 1-15, 2025. Early applications will not be considered. Grant materials will be available for you to pick up at Kumu's Cupboard in January, 2026.

Please see the application at the end of this newsletter. You will also be able to find the application on our website ([kumuscupboard.org](http://kumuscupboard.org)).

When completing a grant, please be sure to include a detailed supply list as we can't fund vague requests.

If you have any questions, need more information, or have a project that succeeds this amount, please reach out to Elyse at: [kumuscupboard1@gmail.com](mailto:kumuscupboard1@gmail.com) or 808-647-6989.

These mini grants are funded with a generous donation from The Doyle Foundation Inc. We appreciate their generosity.

We look forward to helping you with your great ideas to enhance your students learning.
